WELCOME, CLASS OF '86

On the behalf of the Student Association, we would like to take this opportunity to welcome you to Illinois State University. As an I.S.U. student, you enjoy all the privileges as a member of the Student Association. It is your student government.

STUDENT ASSOCIATION

EXECUTIVES

The Student Association is an action oriented organization working to provide services to students and to also work to promote students' rights and interests to the University and external agencies. The Preamble to the ISU Student Association Constitution is the following.

We, the students at Illinois State University, desiring to maintain academic freedom, academic responsibility, and student rights; to develop better educational standards, facilities and teaching methods; to improve student cultural, social and physical welfare; to guarantee all people, because of their inherent dignity as individuals equal rights and possibilities for higher education regardless of sex, race, religion, political belief or economic circumstances; to foster the recognition of the rights and responsibilities of students to the University, the community and humanity; to stimulate and improve democratic student representation and by allowing ourselves responsible and effective participation in the academic, economic, political and service processes, do hereby establish the Constitution for the Student Association of Illinois State University.

The Student Association Executives strive to reflect the views of the Student Association Assembly and to represent the student body to the best of their knowledge by working with students, faculty and administrators whenever student oriented issues are presiding. The Student Association Executives are responsible for the staff operations (i.e., Students' Legal Services, Tenant Union, Printing Services, etc.).

The Student Association Executive Branch consists of the President and the Vice President elected at large each spring. To qualify as an executive candidate a person must have attended the University for at least two full semesters and be in good academic standing. This process is administered by the Student Association Elections Committee.

The President and the Vice President are ex-officio members of the Student Association Assembly, the President's (ISU) Student Fee Advisory Board, and the President is also an ex-officio member of the Academic Senate.

The President is also responsible for making Assembly vetoes and student appointments including Student Association Staff Personnel with the approval of the Assembly.

FRESHMAN TIPS

Keep your campus maps hidden on the inside of a notebook or binder.
It's important to keep notes and handouts organized.
Girls, a great way to meet guys is through Little Sis rush.
Attend the beginning-of-the-year street dances and activities — you'll wish you had when things slow down.
Start the beginning of each semester with a bang because when it gets to the end you get pretty lazy.
Go to the callouts for clubs and activities and find out what they're all about.
Remember that you probably irritate your roommate as much as he or she irritates you.
Keep your room neat on weekends — parents are known for surprise visits.
Before getting ripped off at bookstores, check out bulletin boards in the dorms or the student book exchange.
Don't overindulge at your first kegger, especially if it's your first experience with beer.
Apply for all scholarships that you hear about.
Try to pick up a copy of the Vidette every morning to find out what's happening around campus.
Get to know your TA's and Professors personally — it may help when grade times comes.
Stock up on plenty of popcorn — it makes a great snack any time of the day.
Separate underwear and jeans in the wash.
Bring two umbrellas — one is sure to be stolen by the wind.
Don't show your ignorance by not asking for what you don't know.
Pizza and beer are fattening, but fun.
Register, license, and lock your bike.
Take your student ID wherever you go.
Don't be discouraged with your first English theme grade.
Check the rideboard in the Bone Student Center to get away from campus on weekends.
Go more than midway on midterms.
Keep your door locked — things have a habit of walking away.
Weekends start on Thursday.
At home parents treat — here you pay.
Cars are not allowed, but be sure to find a friend who has one.
Express yourself by voting in all campus elections.
The computer doesn't hate everyone — just you.
Washing machines eat socks.
Homesickness — a call home does wonders for morale at both ends of the line.
Give ISU a chance — most people are ready to return home the first weekend.
Compare prices before buying books.
Professors are human, too — see them at the first sign of trouble.
Take advantage of all free activities.
If your roommate disappears, remember there are 24 hours in a day.
Be friendly — you're all in the same boat.
Make reservations early for parental invasions.
Overdrying your underwear turns them yellow and shoots the elastic.
Be considerate — not everyone parties all the time.
It's fun to study with a friend, but you get more done in the library.
If you want to become involved in student activities, the ISU Student Association has a place for you.
Have you considered running for a Academic Senate seat?
GET INVOLVED — college is more than books.

IF

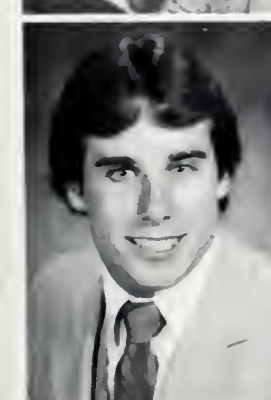

IF YOU can keep your head when all about you
Are losing theirs and blaming it on you,
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies,
Or being hated don't give way to hating,
And yet don't look too good, nor talk too wise:

If you can dream — and not make dreams your master;
If you can think — and not make thoughts your aim;
If you can meet with Triumph and Disaster
And treat those two impostors just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build'em up with worn-out tools:

If you can make on heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,
Or walk with Kings — nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And — which is more — you'll be a Man, my son!
